

## MONTESSORI CERTIFICATION COURSES

Welcome to the MGTEI Certification Courses, a comprehensive educational program designed and dedicated to teach adult learners about the Montessori educational approach. Our courses provide the opportunity to practice Montessori teaching that aims for the fullest possible educational and developmental success for young children throughout adolescence. MGTEI offers quality training and practicum programs to those who want to build a successful career in Montessori education. MGTEI is an International Montessori Council (IMC) affiliated and an applicant in good standing for accreditation with MACTE and IMC.

### About the Courses

The ***In-Residence*** and the ***Distance Learning*** (*hybrid: online and I-R Summer session*) courses certify approved candidates in the following levels:

Infant/Toddler (0-3)  
Early Childhood/Primary (2.5-6)  
Elementary I (6-9)  
Elementary II (9-12)  
Elementary I& II (6-12)

During those courses, we teach adult learners how to care for, educate, and mentor children from birth through 12 years of age according to Montessori philosophy and pedagogy. The MGTEI offers a comprehensive training and practicum program designed to highlight all aspects of Montessori education.

- The Certificate of Completion provides an extra leverage for adult learners in their career development and specialization by being competent in the uniqueness of Montessori pedagogy.
- Well experienced faculty members offer the best in class training to adult learners.
- The collaboration with the Montessori Global School - that has extensive and outstanding experience in Montessori education - can provide limited internships to prepare adult learners to compete for high-quality positions in the child development and educational fields.

The Montessori Global Teacher Education Institute offers **full** Montessori credentials and I/T and EC **Associate** certificates. Graduates from both courses are eligible to hold teaching positions in any Montessori school, anywhere in the world.

Coming soon  Secondary I (12-15); Secondary II (15-18)
